It is not clear at whose request
this work is to be taken up -
I believe the Survey dept could
get this attended to during the
~~Boa~~ Rainy Season or by the Surveyor
attached to the Dist

For such small items of work
it does not appear necessary to
sanction Special Establishments

Letter No.2118 dated 28/29th November 1944 from the Commissioner for settlement and Land Records in Mysore, Bangalore, to the Engineer Officer, City Improvement Trust Board, Bangalore.

Fixing boundaries of private properties surrounding the Kumara Park area.

With reference to your letter No.379 dated 22nd November 1944 requesting me to depute an experienced Surveyor for attending to the above said work, I have the honor to state, in this connection, that a Peon would be necessary for the Surveyor for the period of this work and in addition necessary labour for measurement and demarcation work will have to be provided by your department. If boundary stones have to be fixed for the demarcation of the numbers the prescribed demarcation stones will have to be provided by your department. The marginally noted pay and allowances of the Surveyor and his Peon will have to be met by your department in view of the general prevailing conditions and in view of what is generally allowed to Surveyors sent to other departments on deputation.

Surveyor pay Rs.50/- + Rs 10/- F.T.A. Rs.10/- + Dearness Allowance allowable for Bangalore City.
Peon for the Surveyor, Pay Rs.12/- + dearness allowance allowable for Bangalore City

On hearing from you as to your acceptance of these terms, I shall make necessary arrangement to depute a good Surveyor for the work, under the supervision of the District Surveyor Officer, Bangalore. The favour of an early reply is requested.
